24 Jul 2009 . It's your reflection, country of heroes . your glorious reflection. As the years go by, our Army must be the inevitable projection of our country's social, economic, political, and cultural development." On 17 December 1983, the anniversary of Simón Bolívar's death, Hugo Chávez gave a provocative speech that.

I take this hope as a prediction of our eventual victory because the destiny of Latin America has been irrevocably decided; the tie that bound her to Spain has been severed. The hatred that Spain has inspired in us is greater than the ocean between us. It would be easier to have the two continents meet than to reconcile the.

MEN. OF. DESTINY. After the wars of emancipation were over and the entire continent was free to pursue its course, it was indeed true, as Bolivar had said, that independence was the only boon which had been gained at the cost of all the rest. A great Argentine historian adds, "Even at this price freedom was an advance.

While the north of America grew, developing internally within its expanding frontiers, the south developed outwardly and blew into fragments like a grenade. In the present process of

integration we neither re-encounter our origins nor come nearer to our goals. Bolívar prophesied shrewdly that the United States seemed.

Enlightenment-inspired revolution, this type of revolution had not been executed on a continental scale. The ideas propounded by Locke, Montesquieu, Rousseau, and others that today validate western democratic governance were in their infancy; they existed largely as ideas, and not political realities, when Venezuelans.

Simon Bolívar is an incredibly important and influential Latin American figure and one whose name to this day gives those who invoke it an air of authority and patriotism. It is used to legitimize leaders in the eyes of their people and to inspire feelings of Latin American unity that a new generation of socialist leaders can draw.

26 Jun 1989 . But by tampering with the traditional image of the continent's greatest hero, Mr. Garcia Marquez has incurred the wrath of many of his fellow Colombians and provoked . "The real crime against the nation, against its health and destiny, is to satanize a book and condemn its author," Mr. Garcia Marquez said.

The cortege ultimately made its way north to her final resting place in the mountain village of Montegrande, her childhood home in the Elqui Valley, close to her birthplace; she was buried there at her request, so that the children of this poor and isolated village might never be forgotten by her country. An audacious traveler of.
