"Costs of Equity Issuance," with Ronald W. Masulis, in The New Palgrave Dictionary of Money and Finance, (Macmillan Press, London), 496-499, 1992.

This accessible guide is a perfect source of reference for all those with an interest in finance. Invaluable for students and professionals in the fields of finance and banking, it is also ideal for private investors and readers of the financial pages. This is the most comprehensive and up-to-date dictionary of finance available.

26 Mar 2017 . Using the text of financial stability reports (FSRs) published by central banks, we analyze the relation between the financial cycle and the sentiment conveyed in these official communications. To do so, we construct a dictionary tailored specifically to a financial stability context, which assigns positive and
