Like Wilkinson, he claims that the part has changed his life — 'I wish I could be him in real life', he says. 'The story of "Les Miserables" is so near to us. It's about war, it's about poverty. Every night I perform, I feel the emotional wave from the audience engulfing me.' Nothing, however, moved the various companies playing.

This animated short proposes what many earthlings have long feared – that the automobile has inherited the planet. When life on Earth is portrayed as one long, unending conga-line of cars, a crew of extra-terrestrial visitors understandably assume they are the dominant race. While humans, on the other hand, are merely.

1. The first part of the document is a list of names and titles, including the names of the authors and the titles of the papers. This list is organized in a structured manner, likely serving as a table of contents or a list of references. The names are listed in a vertical column, and the titles are listed in a horizontal row next to them. The text is small and dense, making it difficult to read in detail, but it appears to be a formal list of academic or professional credentials.
