Heartbreak, danger, passion and glamour: all in a day's work...

The LaFata family have it all - obscene wealth, talent, good fortune and beautiful genes. Or at least they used to...until the head of the family, Giancarlo 'Fatty' La Fata, vanishes over the side of his yacht one dark night in Monaco. His widow (and fourth wife) Jade, his son, Carlo Jr, and daughters, Francesca and Angelica, are left awash in a sea of heartbreak and confusion. Did Fatty fall, or was he pushed?

But this question only leads to more - for around a strong man, are even stronger women. Mothers, daughters, lovers, wives and sisters - Fatty has left a web of women who all have their own secrets.

When one of these women steps forward to clean up the mess Fatty left behind she will meet the shady figures that lurk behind the glamour of the French Riviera and risk her heart as well as her life. Can she save the La Fata family from destruction? Or is it already too late?
