As if the music was composed especially for this video. This was amazing. In August to my surprise the video got selected to be shown at the conference in Barcelona amongst 15 videos about mosaic heritage conservation. This was the decisive moment for me to buy my ticket to Barcelona to take part in the conference on.

In music, moment form is defined as "a mosaic of moments", and, in turn, a moment is defined as a "self-contained (quasi-)independent section, set off from other sections by discontinuities" (Kramer 1988, 453). History and definition[edit]. The concept of moment form, and the specific term, originated with the composition.
