Barcelona, 1851. Aquesta és la història del jove Joan Gort qui, amb només catorze anys, viatja amb el seu pare de Reus a la ciutat de Barcelona, però el que havia de convertir-se en un moment feliç es transformarà en una tragèdia quan un inesperat succés té lloc durant la nit de Sant Joan de 1851.

El destí del noi canviarà per sempre i el portarà d'una Barcelona putrefacta i pudent fins al desert gèlid del Marroc, a Tetuán. El nostre heroi, Joan Gort, passarà del caos de la ciutat al caos de la guerra, alistant-se dins dels Voluntaris de Catalunya, un batalló sense organització ni disciplina.

Allà haurà de conèixer tant amb la ment tortuosa del general Prim com amb l'objectiu del seu padrí, el comandant Sugrañes, qui vol aconseguir per sobre de tot la victòria del seu batalló. Joan Gort serà un dels protagonistes entre aquells milers de soldats que van lluitar en una gesta sagnant.

El furor de la guerra. La història d'uns homes units per la terra, pels ideals. La història d'un heroi lligat al passat, a la venjança i a la necessitat de reparar allò que va succeir una tràgica nit de Sant Joan, perquè entre el vent del desert sobrevola l'enemic i el rastre violent del record, de les persistents petjades de la memòria de sang.
